Diese Leuchte ist geeignet für Leuchtmittel der Energieklassen:

874/2012 

The image shows a vertical energy efficiency scale with five levels: A+++ (green), A++ (light green), A (yellow-green), B (yellow), and C (orange). The levels A+++ through D are marked with a large red 'X', indicating they are not suitable. The level E (red) is also marked with a red 'X'. A small blue light bulb icon is positioned to the right of the scale.
